

PROPOSED TEMPORARY ROAD CLOSURE OF PARLEY LANE/ CHAPEL GATE, CHRISTCHURCH

I have received an application from Event Traffic Control on behalf of Bournemouth Sevens Festival, to close the slip road from Parley Lane, to the north of the roundabout, at the junction with Chapel Gate and also to create a clearway on Parley Lane, to Chapel Gate. The temporary traffic management has been requested to facilitate the traffic flow during the Bournemouth 7's Event. The traffic management will come into operation at 11:00am on the 27th May 2016 and be in place until 09:00hrs on the 30th May 2016.

Event Traffic Control on behalf of The Bournemouth Sevens Festival will publicise the road closure in a number of ways: they will place information boards on the road in this area to inform the travelling public of the works; they will carry out a letter drop to local residents directly affected by the works; and they will sign a vehicular diversion route using the local road network. The following map shows the extent of the closure.

This document is for information only. However, if you have any concerns about this proposal, please contact Marc Cutler, (roadspacemanagement@dorsetcc.gov.uk) by the 29th April 2016.
