Electric & Gas problems: Drewlec completed the survey for Certification, the cost of the 20 items that needed attention, nothing major was quoted at £454.57 + VAT but if it took less time this would be reflected in the final invoice. This was agreed to get the work done.
We have had a major problem with the boiler, problems of getting some Company to come out Micheal Lane put us onto JSG gas they came out found the problem but had to get parts, they quoted a fixed sum of £195 + Vat for call out and fix, unfortunately it also required an extra part, the extra cost of the part will be added onto the quote. Should be fixed by 26th. Gary will continue starting the Boiler each morning.

Renovation of Hall: Until we know the result of the EDDC committee, we cannot do anything.
Mr Rossiter to be on stand by to pull out hedge when ready, he said that it must be pulled out by February or we will have to wait until October because of bird nesting.
Leaves have to be cleared from around the car park and the gutters, we have found that the downpipes of some gutters are blocked, we do not know where they soak away, as there is a problem with a very high water table as ditches that should drain the water away have been blocked or not serviced.
Chairman still looking for the posts and rail to complete the boundary fence.
