Dear Colleague

BUS SERVICE CHANGE

I am writing to let you know about a change to bus services in Bournemouth and East Dorset.

Commencing on 31 January, service 13 (Bournemouth to Wimborne) will change. There will be an additional journey departing Bournemouth at 0605, and buses will then run at 05 and 35 minutes past each hour.

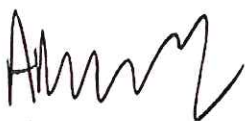

On Sundays, the last bus from Wimborne to Bournemouth will depart at 1820 instead of 1815.

We are making these changes to improve punctuality, which has been affected by the A338 road works.
