The Chairman, Since we last met as a Council, Steve Lugg who was County and District Councillor for Ferndown/ West Parley has passed away at the age of 54 years through a particularly vicious and quick acting form of Cancer. Members of the Council sent condolences to his widow Cathy and his children by means of a Card. However, this is the first occasion on which we have formally met and I would therefore ask that we spend a moment reflecting on Steve's contribution to public service in the area; honour his memory and reflect on the shortness of life. Moment to reflect on his work in WP.
