

The Stour Catchment Initiative & Environment Agency Event Invite: Developing a Restoration Plan for the Stour and Moors Rivers

The Stour Catchment Initiative (SCI) and the Environment Agency (EA) are hosting a series of engagement events to introduce the partnership and collect your thoughts and feedback on the restoration plan for the Stour and Moors rivers.

These events are an opportunity to share what we know about the current state of the Stour River and its tributaries and to discuss what we can do to conserve and restore these rivers and their habitats. The events will focus on developing a restoration plan for the Stour and Moors Rivers.

Each event will have an afternoon and evening session where we will repeat a presentation on the Catchment Initiative and the Restoration Plan. There will then be an opportunity to speak to the people and organisations working on the Stour and Moors .

The events will take place in 3 locations:

- Friday 21 November - Memorial Hall, Sturminster Marshall (BH21 4BQ)
- Tuesday 25 November - The Exchange, Sturminster Newton (DT10 1FH)
- Friday 28 November - The Hub, Verwood (BH31 7QE)

AGENDA FOR EACH VENUE

Afternoon	Evening	
1430 -1500	1730 - 1800	Doors open
