Public Path Diversion and Definitive Map and Statement Modification Order

Highways Act 1980 Wildlife and Countryside Act 1981

Dorset Council (Part of Footpath 9, West Parley at Dudsbury Fort) Public Path Diversion Order 2020

This Order is made by Dorset Council ("the authority") under section 119 of the Highways Act 1980 ("the 1980 Act") because it appears to the authority that in the interests of the owner of the land crossed by the footpath described in paragraph 1 of this Order it is expedient that the line of the path should be diverted.

This Order is also made under section 53A(2) of the Wildlife and Countryside Act 1981 ("the 1981 Act") because it appears to the authority that the County of Dorset definitive map and statement require modification in consequence of the occurrence of an event specified in section 53(3)(a)(i) of the 1981 Act, namely, the diversion (as authorised by this Order) of a highway shown or required to be shown in the map and statement.

Bournemouth Guide Camp Association have agreed to defray any compensation which becomes payable in consequence of the coming into force of this Order and any expenses which are incurred in bringing the new site of the path into a fit condition for use by the public.

West Parley Parish Council has been consulted as required by section 120(2) of the 1980 Act.

BY THIS ORDER:

1. The public right of way over the land situate at Dudsbury Fort, West Parley and shown by a bold continuous line on the map contained in this Order and described in Part 1 of the Schedule to this Order shall be stopped up after 7 days from the date of confirmation of this Order or on the date which Dorset Council certify that work has been carried out to bring the site of the new highway mentioned in Part 2 of the Schedule to this Order into a fit condition for use by the public, whichever is the later and thereupon the County of Dorset definitive map shall be modified by deleting from it that public right of way.
2. Notwithstanding this Order, where immediately before the date on which the path is diverted in pursuance of this Order, there is apparatus under, in, on, over, along or across the path belonging to the statutory undertakers for the purpose of carrying out their undertaking then such undertakers shall continue to have the same rights in respect of their apparatus as they would have had if this Order had never been made.
3. There shall at the end of 7 days from the date of confirmation of this Order be a public footpath over the land situate at Dudsbury Fort, West Parley described in Part 2 of the Schedule to this Order and shown by a bold broken line on the map contained in this Order and thereupon the County of Dorset definitive map shall be modified by adding that path to it.
4. The County of Dorset definitive statement shall be modified as described in Part 3 of the Schedule to this Order.
