

Find out more about the land east of New Road, West Parley development

To bring forward the approved housing scheme at New Road, West Parley, Bellway Homes is preparing a 'reserved matters' submission which sets out the details of the scheme.

The development will deliver 386 new homes, retail and office space, and substantial areas of public open space including play areas and allotments. The first phase of the development would include around 230 homes and the SANG (Suitable Alternative Natural Green Space).

The proposals build upon the principles established through the Council's site allocation and agreed by the outline planning permission. We are committed

to delivering a sustainable and high quality development for West Parley and will be submitting a Design Code to Dorset Council to agree principles of the design and our vision.

As part of the next stage in the planning process we are inviting the local community and other key stakeholders to have their say on the plans. Details on how to get involved are included on the back of this leaflet.

Join our webinar

We will be hosting a **live webinar on:**

**Tuesday 7th December
from 6:30pm to 7:30pm.**

Members of the project team will be on hand to present our proposals and answer your questions. To register to attend the webinar being held on Zoom, please visit our website at

www.newroadwestparley.co.uk
