PROPOSED TEMPORARY TRAFFIC MANAGEMENT ORDER OF CHRISTCHURCH ROAD, WEST PARLEY

I have received an application from Clearview Services Group to introduce a temporary no left turn onto New Road, West Parley from Christchurch Road, West Parley. The temporary no left turn has been requested to allow Clearview Services Group to carry out works to a telecommunications mast. These works are programmed to commence between 20:00 - 04:00 from 30th May 2023 until 1st June 2023.

Clearview Services Group will publicise the temporary no left turn in a number of ways: they will place information boards on the road in this area to inform the travelling public of the works; they will carry out a letter drop to local residents directly affected by the works; and they will sign a vehicular diversion route using the local road network. The following map shows the extent of the temporary no left turn and the diversion route.

This document is for information only, however if you have any concerns about this proposal, please contact Jamie Igoe, (trafficteam@dorsetcouncil.gov.uk) by 15 May 2023.
