PROPOSED TEMPORARY CLOSURE OF LINDEN ROAD, WEST PARLEY

I have received an application from Stanborough Construction Ltd to close Linden Road, West Parley between Christchurch Road and Linden Close, a distance of approximately 140 metres. The closure has been requested to allow Stanborough Construction Ltd to carry out sewer connection works. These works are programmed to commence from 22nd July 2024 until 26th July 2024. Residents access will be maintained.

Stanborough Construction Ltd will publicise the road closure in a number of ways: they will place information boards on the road in this area to inform the travelling public of the works; they will carry out a letter drop to local residents directly affected by the works; and they will sign a vehicular diversion route using the local road network. The following map shows the extent of the closure and the diversion route.

This document is for information only, however if you have any concerns about this proposal, please contact Jamie Igoe, (trafficteam@dorsetcouncil.gov.uk) by 5 July 2024.
